[Parking:](#)

[Short-term evening visitors \(parking primarily for the ghost tour\):](#)

There are parking meters (\$0.75/hr) in front of the *Griffon Tavern* and the surrounding blocks. They are free on Sundays/city holidays and after 6:00 pm any day. Often these are full on weekend evenings and regular-season in general. There are two parking garages close to the *Griffon*: the adjacent Cumberland/Concord Street garage is behind the tavern, accessible via Cumberland St or Cone St; the other is accessible on Prioleau St, 100 yards from the *Griffon Tavern* (which is on Vendue Range at Prioleau St).

[Long-term day/evening visitors \(parking for more than 4-5 daytime hours prior to the ghost walk\):](#)

There are several competing flat-rate parking lots(\$7-8/day); the Ports Authority lot (\$8/day) adjacent to the US Customs House at Market/Concord Sts is the closest one (200 yards from the *Griffon Tavern*) offering free in/out privileges (until 8:00 am the next day).
