Parking:

Short-term evening visitors:

There are parking meters (\$0.75/hr) in front of the Griffon Tavern and the surrounding blocks. They are free on Sundays/city holidays and after 6:00 pm any day. Often these are full on weekend evenings and regular-season in general. There are two parking garages close to the Griffon: the adjacent Cumberland/Concord Street garage is behind the tavern, accessible via Cumberland St or Cone St; the other is accessible on Pringle St, 100 yards from the Griffon Tavern (Vendue Range).

Long-term day/evening visitors (parking for more than 4-5 daytime hours prior to the ghost walk):

There is a number of competing flat-rate parking lots(\$7-8/day avg); the Ports Authority lot (\$7/day) adjacent to the US Customs House on Market/Concord St is the closest one (200 yards from the Griffon) offering free in/out privileges (until 8:00 am the next day).

Wheelchair rental:

For those that are fairly mobile on foot but may find it easier to use a wheelchair for the 1-mile ghost walk, contact Herbert's Mobility, 1930 Ashley River Rd, Charleston, SC 29407, phone (843) 571-1515.
